Career Objective

Dedicated and detail-oriented **Frontend Developer** with strong skills in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and React.js. Experienced in converting PSD and Figma designs into responsive websites during a paid internship. Seeking to contribute my frontend development expertise to dynamic projects, continuously enhance my skills, and grow professionally in the web development industry.

Core Competencies

- Frontend Development (HTML, CSS, Bootstrap, Tailwind, SASS, JavaScript, React.js)
- Responsive Design (PSD/Figma to HTML, Mobile-first approach)
- Cross-browser Compatibility
- Basic Git version control, Team collaboration
- Self-learning & Problem-solving ability

Internship Experience

Web Design Intern
ACME Web Solutions, Jessore | September 2022 – February 2023

- Developed responsive web pages using HTML, CSS, and Bootstrap.
- Converted PSD designs to pixel-perfect HTML layouts.
- Collaborated with backend developers to integrate frontend designs.
- Assisted with basic programming and troubleshooting tasks.
- Designed simple mobile app UI and graphics when needed.

Professional Experience

Part-time Home Tutor (ICT Subjects)
Self-employed | 2023 – Present

- Teaching Web Design, C Programming, Database, Number System, and Networking.
- Successfully guided 50+ students, currently mentoring 20+ active students.
- Developed communication, leadership, and time management skills.
